

## CASE STUDIES

# Jerónimo Martins

BIOMETRIC SIGNATURE

HUMAN RESOURCES DEPARTMENT

## THE CHALLENGE:

The **Grupo Jerónimo Martins** intends to speed up and digitize the way in which the processes of its Human Resources Department are signed, also eliminating paper processes.

## THE SOLUTION:

Using the IDcert and **SigningDesk** solutions, An internal portal was developed that uses **Biometric Signature** on Signature Pads on the employee's side and **Qualified Signature** by the company's management, and is currently in use in 600 stores.

## THE RESULT:

Tons of paper were eliminated in the management of shifts and employment contracts in the Human Resources Department, **transforming a process that usually lasted 2 weeks into just a few minutes.**
